HOLE GAMES

- Hole 1: Normal scramble rules.
- Hole 2: If your tee shot goes past the sponsor sign and is in bounds, move up to the fireman's hat...you're still laying one.
- Hole 3: Alternate shot scoring (no scramble). You choose the order, however, if you have a "putter only" player, they putt first when on the green.
- Hole 4: *Hit at the floating object challenge (\$\$ challenge). Normal scramble rules.
- Hole 5: Which flag has the hole? Will you choose the right one?
- Hole 6: Short or Long? Drive from the tee box as usual, OR all players attempt to chip into the circle from your tee box. If one person stops the ball inside the circle, move up to the fireman boots and you're still laying one. If not, you're laying one from your chosen miss.
- Hole 7: Your entire team vs. ONE player! You beat the player, subtract 1 stroke from your score on this hole. You tie or lose...add 1 stroke to your score.
- **Hole 8: Closest to pin, WOMEN ONLY.**
- Hole 9: Normal scramble rules.
- Hole 10: Putt using a frisbee. Hit the flagstick to hole out.
- Hole 11: Shortest drive wears the hula skirt...for the rest of the tourney! Drives in the fairway qualify as the longest first, before off the fairway or OB.
- Hole 12: Pop a squat! Tee off from the toilet seat.
- Hole 13: *Hit the green challenge (\$\$ challenge). Closest to pin, MEN ONLY.
- Hole 14: Closest to the cardboard cutout on your second shot.
- Hole 15: Use your 7 iron all the way from tee shot to putting!
- Hole 16: Your putter is not allowed. Each person selects a different object from the basket.
- Hole 17: *Duck chipping (\$\$ challenge). Normal scramble rules.
- Hole 18: Normal scramble rules.
